## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

#### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

4. *Mr Brandt*—Notice—That the Government lacks the confidence of the House because of its failure to maintain a quality health care system, which the people of Ontario have come to expect, resulting in the increased suffering and mortality of patients, the closing of hospital beds, the increased waiting lists for health services forcing more citizens to seek health care outside the province, the deterioration in the cooperation between the government and health care providers in the province, and the frustration of all persons involved in health care in Ontario because of this government's lack of planning and setting of priorities for capital expansion and improvements, lack of leadership in developing adequate support and funding to facilitate a more community-based approach to health care delivery, lack of action in reforming the OHIP system, and systematic attempts to blame everyone else for the problems in the health care system. *January 26, 1989.*
5. *Mr Rae (York South)*—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and rescheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. *January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
59. *Mr Neumann*—Resolution—That, in the opinion of this House, recognizing the critical importance of the Brundtland Report of the World Commission on Environment and Development, *Our Common Future*, this House commends the Government of Ontario for its active participation on the National Task Force on the Environment and the Economy, and for establishing the Ontario Round Table on Environment and the Economy to develop a provincial sustainable development strategy, therefore, the Government of Ontario should continue these efforts, and:

2. implement a procedure for reviewing, on an annual basis, the progress made by all ministries, boards and crown corporations in applying the concept of sustainable development within their areas of responsibility. *January 19, 1989.*

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

4. *Mr Brandt*—Notice—That the Government lacks the confidence of the House because of its failure to maintain a quality health care system, which the people of Ontario have come to expect, resulting in the increased suffering and mortality of patients, the closing of hospital beds, the increased waiting lists for health services forcing more citizens to seek health care outside the province, the deterioration in the cooperation between the government and health care providers in the province, and the frustration of all persons involved in health care in Ontario because of this government's lack of planning and setting of priorities for capital expansion and improvements, lack of leadership in developing adequate support and funding to facilitate a more community-based approach to health care delivery, lack of action in reforming the OHIP system, and systematic attempts to blame everyone else for the problems in the health care system. *January 26, 1989.*
5. *Mr Rae (York South)*—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and rescheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. *January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

management, many other resource management programs, and outdoor recreational opportunities, and also recognizing that the use of dirt bikes and all terrain vehicles are not compatible with the aforementioned functions of Conservation Authorities, the Government of Ontario through the Minister of Natural Resources should bring forward legislation to prohibit the use of all such vehicles on Conservation Authorities lands. *January 25, 1989.*

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

4. *Mr Brandt*—Notice—That the Government lacks the confidence of the House because of its failure to maintain a quality health care system, which the people of Ontario have come to expect, resulting in the increased suffering and mortality of patients, the closing of hospital beds, the increased waiting lists for health services forcing more citizens to seek health care outside the province, the deterioration in the cooperation between the government and health care providers in the province, and the frustration of all persons involved in health care in Ontario because of this government's lack of planning and setting of priorities for capital expansion and improvements, lack of leadership in developing adequate support and funding to facilitate a more community-based approach to health care delivery, lack of action in reforming the OHIP system, and systematic attempts to blame everyone else for the problems in the health care system. *January 26, 1989.*
5. *Mr Rae (York South)*—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and rescheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. *January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
61. *Mr Callahan*—Resolution—That, in the opinion of this House, the Minister Responsible for Senior Citizens' Affairs should establish an internship program for those retired persons who wish to volunteer their acquired skills and knowledge for use in any area of government where such expertise may be needed and to accomplish such purpose a directory of such retirees and their skills should be set up and maintained through the Ministry. *January 25, 1989.*

Minister of Natural Resources should bring forward legislation to prohibit the use of all such vehicles on Conservation Authorities lands. *January 25, 1989.*

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

4. *Mr Brandt*—Notice—That the Government lacks the confidence of the House because of its failure to maintain a quality health care system, which the people of Ontario have come to expect, resulting in the increased suffering and mortality of patients, the closing of hospital beds, the increased waiting lists for health services forcing more citizens to seek health care outside the province, the deterioration in the cooperation between the government and health care providers in the province, and the frustration of all persons involved in health care in Ontario because of this government's lack of planning and setting of priorities for capital expansion and improvements, lack of leadership in developing adequate support and funding to facilitate a more community-based approach to health care delivery, lack of action in reforming the OHIP system, and systematic attempts to blame everyone else for the problems in the health care system. *January 26, 1989.*
5. *Mr Rae (York South)*—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and rescheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. *January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
61. *Mr Callahan*—Resolution—That, in the opinion of this House, the Minister Responsible for Senior Citizens' Affairs should establish an internship program for those retired persons who wish to volunteer their acquired skills and knowledge for use in any area of government where such expertise may be needed and to accomplish such purpose a directory of such retirees and their skills should be set up and maintained through the Ministry. *January 25, 1989.*
62. *Mrs Fawcett*—Resolution—That, in the opinion of this House, recognizing that Conservation Authorities provide the people of Ontario with water management, many other resource management programs, and outdoor recreational opportunities, and also recognizing that the use of dirt bikes and all terrain vehicles are not compatible with the aforementioned functions of Conservation Authorities, the Government of Ontario through the

Minister of Natural Resources should bring forward legislation to prohibit the use of all such vehicles on Conservation Authorities lands. *January 25, 1989.*

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

4. *Debated February 8, 1989.*

5. *Mr Rae (York South)—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and re-scheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

5. *Mr Rae (York South)—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and rescheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

5. *Mr Rae* (York South)—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and re-scheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. *January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986.  
*November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
63. *Mrs Sullivan*—Resolution—That, in the opinion of this House, the Ministry of Consumer and Commercial Relations should consider strengthening the *Ontario New Home Warranties Plan* by:

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
- 

### MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

5. *Mr Rae (York South)—Notice—That the Government lacks the confidence of the House because of its failure to address in any meaningful way the crisis in the supply of nurses within the health care system, both with regard to the recruitment of adequate numbers of people and the retention of nursing professionals within the system, which follows from the unwillingness to address structural issues about the role, responsibilities, respect for and compensation of nurses, the result being that people in Ontario who need hip and knee replacements in order to retain their mobility and the chance to live independently outside institutions are forced to wait many months to get them, thousands of people—including children—needing heart surgery are forced to wait through months of being scheduled, cancelled and rescheduled for the surgery they need, and because hospital emergency departments (for lack of nurses) are forced to restrict non-critical admissions, patients seeking emergency care often have to travel considerable distances to find an emergency department that will see them for treatment. January 31, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
63. *Mrs Sullivan*—Resolution—That, in the opinion of this House, the Ministry of Consumer and Commercial Relations should consider strengthening the *Ontario New Home Warranties Plan* by:

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
63. *Mrs Sullivan*—Resolution—That, in the opinion of this House, the Ministry of Consumer and Commercial Relations should consider strengthening the *Ontario New Home Warranties Plan* by:

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

---

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
64. *Mr Smith (Lambton)*—Resolution—That, in the opinion of this House, recognizing that highways in Ontario are constructed in such a way to permit vehicles to travel safely at speeds greater than the presently posted limits, the Government of Ontario should consider amending current legislation to increase speed limits on 400 class highways to 115 km/hr for cars and light trucks, and to 105 km/hr for trucks over 1 tonne, and on secondary highways to 90 km/hr for cars and light trucks and to remain at 80 km/hr for trucks over 1 tonne. *February 20, 1989.*
65. *Mr Elliot*—Resolution—That, in the opinion of this House, recognizing the importance of the Niagara Escarpment as a significant feature of Ontario's natural heritage, and that the use of the Escarpment lands for farming, tourism, housing and aggregate extraction has a significant impact on that land, the Ministry of Municipal Affairs should be directed to ensure that

any development or use of the Niagara Escarpment lands be environmentally sustainable development; and that the Ministry of Municipal Affairs be further directed to maintain heritage and environmental concerns as priorities when considering land and use planning within the Niagara Escarpment boundaries. *February 20, 1989.*

439. *Mr Runciman*—Enquiry of the Ministry—Would the Minister of Community and Social Services advise the House if the Government has any plans to increase the wage level of community service workers to a level comparable to that received by their counterparts working in a provincially-operated facility, since in the constituency of Leeds-Grenville a residential worker with the local Community Living Association earns \$6.15 per hour, whereas a government employee working only 30 miles away at the Rideau Regional Center, doing comparable work, earns \$12.28 per hour which represents a wage difference of 99.6%. *February 20, 1989.*
  440. *Mr Runciman*—Enquiry of the Ministry—Would the Minister of Community and Social Services inform the House if he has withdrawn his support for the effective implementation of his Ministry's Multi-Year Plan "Challenges and Opportunities" and if not would he share his implementation strategy and indicate whether or not it addresses the wage comparability issue between community service workers employed by Transfer Payment Agencies and workers employed by his Ministry working in provincially-run institutions. *February 20, 1989.*
  441. *Mr Cousins*—Enquiry of the Ministry—Would the Minister of Transportation give the following information on GO-Train parking lots: 1) How many automobile parking lots exist for GO-Transit system. 2) What is the capacity of each parking lot. 3) What plans are presently approved to expand parking spaces in each of the lots—and how many new spaces will be created. 4) What plans are in long term planning to expand parking lots and how many additional spaces will be created. 5) How many parking violation tickets have been issued on GO-Transit parking lots during January 1989. *(Precedence in accordance with the Standing Order 71 (d).)*

Ballot Item No. 65—*To be debated on Thursday, February 23, 1989.*

*Mr Smith* (Lambton)—Resolution—That, in the opinion of this House, recognizing that highways in Ontario are constructed in such a way to permit vehicles to travel safely at speeds greater than the presently posted limits, the Government of Ontario should consider amending current legislation to increase speed limits on 400 class highways to 115 km/hr for cars and light trucks, and to 105 km/hr for trucks over 1 tonne, and on secondary highways to 90 km/hr for cars and light trucks and to remain at 80 km/hr for trucks over 1 tonne.

Ballot Item No. 66—*To be debated on Thursday, February 23, 1989.*

*Mr Elliot*—Resolution—That, in the opinion of this House, recognizing the importance of the Niagara Escarpment as a significant feature of Ontario's natural heritage, and that the use of the Escarpment lands for farming, tourism, housing and aggregate extraction has a significant impact on that land, the Ministry of Municipal Affairs should be directed to ensure that any development or use of the Niagara Escarpment lands be environmentally sustainable development; and that the Ministry of Municipal Affairs be further directed to maintain heritage and environmental concerns as priorities when considering land and use planning within the Niagara Escarpment boundaries.

## NOTICES

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
-

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
64. *Mr Smith (Lambton)*—Resolution—That, in the opinion of this House, recognizing that highways in Ontario are constructed in such a way to permit vehicles to travel safely at speeds greater than the presently posted limits, the Government of Ontario should consider amending current legislation to increase speed limits on 400 class highways to 115 km/hr for cars and light trucks, and to 105 km/hr for trucks over 1 tonne, and on secondary highways to 90 km/hr for cars and light trucks and to remain at 80 km/hr for trucks over 1 tonne. *February 20, 1989.*
65. *Mr Elliot*—Resolution—That, in the opinion of this House, recognizing the importance of the Niagara Escarpment as a significant feature of Ontario's natural heritage, and that the use of the Escarpment lands for farming, tourism, housing and aggregate extraction has a significant impact on that land, the Ministry of Municipal Affairs should be directed to ensure that

any development or use of the Niagara Escarpment lands be environmentally sustainable development; and that the Ministry of Municipal Affairs be further directed to maintain heritage and environmental concerns as priorities when considering land and use planning within the Niagara Escarpment boundaries. *February 20, 1989.*

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

### GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; June 2, 1988; and February 22, 1989.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

## PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*

May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
